As you requested.

Jerrold A. Weissman, born in Great Falls, Montana on June 25, 1936. I am a third generation Montanan on both my Father and Mother's side. Graduated from Great Falls High School in June 1954. Attended University of Montana, 1954-1955. Transferred to the University of Miami, (Florida) September 1955, graduated June 1958, with an A.B. Degree in History, with a minor in Economics. Admitted to the University of Miami Graduate School in American History and attended September 1958 through December 1960. I did not obtain a graduate degree but left to seek employment in Great Falls, Montana.

I am married to Nadyne (Barrett) Weissman since July of 1968. We have a son Aaron, of Great Falls, and a daughter Leila of Valley Village, California. We have four Grandchildren. Nadyne Weissman is a mediator with her own practice and is a water aerobics instructor at the Peak Health Center in Great Falls.

Employed by Carl Weissman and Sons, Inc. until January 2001. Last position held was President, CEO, Board Chairman and Manager. In December 2000 I purchased National General Supply Company, Inc...., with my wife and son, and left Carl Weissman and Sons, Inc. National General Supply Company is headquartered in Great Falls, Montana, and is a requirements contractor to the USAF, operating on base stores in five different states, and is also holds GSA, FSS contract # GS-06F-0087S for national sales to the U.S. Government. I am at present the Chairman of the Board of Directors of that company. In December 2008 I relinquished the position of CEO in favor of Aaron Weissman. I was one of the founding partners of Pasta Montana, and have been involved in at least three other start up organizations. I do not hold shares or interest in any of these companies at this time.

My activities in the community over the past 50 plus years have been varied and I have served on community and fraternal boards. I was the first President of Congregation Aitz Chaim, in Great Falls and served two terms. I served on that synagogue board for over 20 years but am not now on that board. I was one of the founding members of MAJCO, (Montana Association of Jewish Communities) As my son is now the President of that organization I have relinquished my seat on that board. From 1988 to and through 2008 I was on the Executive Board of AIPAC, American Israel Public Affairs Committee, in Washington, D.C. During that time and continuing to the present time I am the State Chair for that organization. That group has a singular purpose of promoting the friendship of the United States and Israel and is termed as the Jewish Lobby in Congress. That organization has over 85,000 dues paying members. I have served on the Cascade County Republican Central Committee and at various times have been part of the Montana Republican Party State Committee. I am not now on either of those committees. In 1988 and again in 1996 I was a Republican delegate to their National Convention and was committed in 1988 for George W. Bush, and in 1996 to Robert Dole, both of whom went on to be the nominee of the Republican Party.
